DISCOVER OTTAWA

Canada's capital and the country's fourth largest metropolis, **Ottawa** is located in Eastern Ontario, just across the Ottawa River from Gatineau, Quebec. A cosmopolitan yet surprisingly intimate G8 capital, Ottawa is a place where you can immerse yourself in culture, embrace the great outdoors (even in the heart of the city), celebrate year-round at festivals and events, and shop or dine in a relaxed urban setting of distinctive neighbourhoods and districts.

Some of Ottawa's best known highlights are:

- The Rideau Canal, Ontario's first UNESCO World Heritage Site;
- Parliament Hill, the seat of Canada's government and the setting for national ceremony and celebration;
- Gatineau Park, which offers hiking, biking and cross-country skiing; and
- Ottawa's many national museums, including the Canadian Museum of Civilization, the Canadian War Museum, the Museum of Nature and the National Gallery of Canada.
