Shooting for Moose in Algonquin

Friday June 6th - Sunday June 8, 2008

A Photographic Workshop in Algonquin Provincial Park

Want to get close to a few moose? Well here is an opportunity to join me for a few days of shooting up in the northwest corner of Algonquin Park. Bring your long lenses and lots of card space. Call me for details.

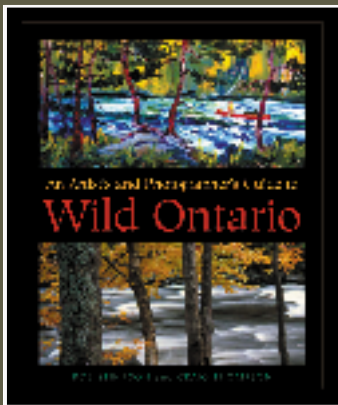

check out - www.voyageurquest.com/canoe-trips.php#115

Call 1.705.635.2205 or email: info@robstimpson.com for inquires.

Cost - \$545.00 + taxes

Mention you saw this ad in the Insider and receive 10% off.

Call or emailed Rob in advance of the workshop.

Don't Forget...

When planning your upcoming summer vacation, then a must have is **The Artist's and Photographer's Guide to Wild Ontario**, published by Boston Mills Press,. Writer Craig Thompson & myself have put together a 224 page guide book taking you to some of the great landscapes of Ontario. This is a journey through Ontario's Parks, galleries, museums and profiling both past and present artists with extensive listings of studio tours and workshops. Look for it in bookstores.

Photo Hint to help you create better photos

Use the Rule of Thirds to organize elements in your images. Divide your composition in thirds both horizontally and vertically then at the intersecting lines place your centre of interest.
